

COMBINING

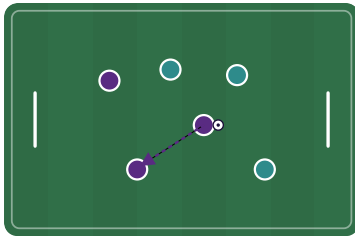

Pass or dribble

SESSION PLAN

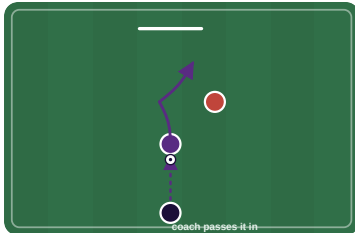

WARM-UP · OPTIONAL Pairs shuttle 10 min

Pairs line up together and shuttle to a cone and back as a two, then high-five the next pair. In round two they carry one ball between them and pass it back and forth on the way. Starting as a pair sets up today's teamwork.
SAY IT SIMPLY "Together, together!" · "Pass to your buddy!" · "Nice and easy!"

PLAY 3v3 15 min

Play this first, no coaching yet. Play 3v3 to two small goals in a compact area. Let the passing and dribbling happen on its own. Keep it flowing with subs ready to swap in.
SAY IT SIMPLY "Pass or dribble, you choose!" · "Great pass!" · "Have fun!"

PRACTICE 1v1 from a coach pass 15 min

Now teach it: this fixes what just came up in Play. The coach passes the ball in to a player, who is now 1v1 against a single defender and attacks a small goal. Simple and direct, no decisions to think through first.
SAY IT SIMPLY "First touch forward!" · "Take them on!" · "Shoot!"

PLAY Small-sided play 15 to 20 min

Bring the game back so it gets used. Even teams, 3v3 or 4v4 to small goals. Light coaching, let them play.
SAY IT SIMPLY "Pass or dribble, your call!"

WHY IT MATTERS

Attacking straight off a pass ties together the touch, the dribble, and the finish. The small-sided game then adds a teammate, so players start choosing between dribbling and passing on their own.

HOW IT DEVELOPS

- | | |
|------------------|---|
| U7 to U8 | Take the coach's pass in stride and attack 1v1 without slowing down first. |
| U8 to U10 | Combination play in the wider game. More players, less time, and proper support angles. |
